

## **ABOUT TALIUS**

Talius is North America's premier manufacturer of premium Rollshutters, Retractable Habitat Screens™, Awnings, and FlyScreens. Our Rollshutters deliver unmatched security and peace of mind, protecting homes and businesses against vandalism, break-ins, and severe weather. Our Retractable Habitat Screens™ reduce solar heat gain by up to 50%, helping buildings stay cooler and cutting air-conditioning costs dramatically. Talius Awnings and FlyScreens transform outdoor spaces, making them more comfortable, usable, and enjoyable throughout the seasons.

Discover why architects, builders, and property owners across North America trust Talius for innovative shading, security, and comfort solutions at [www.talius.com](http://www.talius.com).

Enjoy the lifestyle perks of the Shuswap—lakes, outdoor activities, and a tight-knit community—while building a stable career.

## **Job Description – Production Worker**

### **WHO YOU ARE**

You are an individual with positive energy and strong attention to details. As the Production Worker, you will be responsible for production of roll shutters and screens in a manufacturing environment to meet quality standards and customer specifications. If you have a great attitude and a willingness to learn, we will also provide training to help you become successful in your role.

### **Your responsibilities include:**

- Deliver production jobs as per specifications and to the highest quality standards.
- Measure, cut, bend and shape metal and other material to required dimensions.
- Use appropriate machinery to complete assigned jobs.
- Loading and unloading material and products.
- Maintains clean and orderly work space.
- Ensure all health and safety procedures and policies are followed.
- Other duties as required.

### **YOU ARE**

- A person with strong attention to details
- Reliable and punctual
- Organized, willing to learn, and open to continuous improvement
- Excellent communication skills (both verbal and written)
- Willing to step up and help out where needed

## YOU HAVE

- Production experience with sheet metal products, mechanics, equipment repair, etc.
- Ability to read and convert metric and imperial tape measurements.
- Experience operating drill press and CNC machining an asset
- Ability to work independently and within a team environment
- Physical capability to stand and bend for production jobs
- Ability to lift up to 50 lbs if required
- Ability to work over time hours if required
- Proactive and flexible attitude to meet changing work needs and demands

## ADDITIONAL INFORMATION

Talius is an equitable employer. We thank all applicants for their interest; however, only those candidates selected for an interview will be contacted.

## HOW TO APPLY

Please forward your resume with cover letter to [HR@talius.com](mailto:HR@talius.com) before **Monday, April 20, 2026**.

Job Type: Full-time

Hourly rate: \$20 - \$30 per hour depending on experiences
